## **Batavia Enterprises, Inc. Wins Business Ledger's Annual Award for Business Excellence**

On March 18<sup>th</sup>, executives from 21 different companies left the Danada House in Wheaton with smiles on their faces and a prestigious award in their hands. Batavia Enterprises, Inc. had the privilege of being one of those recipients by accepting the Business Ledger's Annual Award for Business Excellence (AABE) in the category of "Innovation in Business."

There were eight categories at the AABE reception this year. The "Innovation in Business" category recognized companies that created a higher standard of product, service, program or process that not only had a positive effect on their business, but on the industry and community as well. The recent creation of Water Street Studios at 160 Water Street in Batavia helped push Batavia Enterprises into the forefront of the judges' minds. For over 50 years, Batavia Enterprises has focused on the quality of their buildings, the quality of their service, and renovating historical buildings in a creative and functional manner. Batavia Enterprises has a deep history of working with the community and is proud of the effect the Batavia Plaza, Tower Business Center, and now Water Street Studios has had in revitalizing downtown Batavia.
